Re: Contribution_____

Hello,

This letter is to thank you for your contribution to the Williamson county youth 4-H Hoofpicks Club. Our series of Open Horse Shows is an excellent opportunity to help young people develop leadership skills, work ethics, learn and have fun while they earn funds to support their club's activities.

As a non-profit club dedicated to youth equestrian activities and projects, we truly need and appreciate support from local businesses and interested individuals like you. The money you help us raise will be used for education, professional training for the youth and their horses, for awards and scholarships to club members, and to fund our horse judging team. 4-H is a major program of the Texas Cooperative Extension of the Texas A&M University System. We hope you'll plan to come join the fun . Thank you.

Sincerely,
